Final thoughts

- Our energy levels need to be started immediately when we get out of our cars.
- Celebrate the WINS! Don't get upset at the little things that go wrong.
- In order to stay motivated in Kids Ministry we need to be reading our Bibles and praying **EVERYDAY!**
- **ALWAYS** have a **SERVANT** mindset!
- Demand **EXCELLANCE** not perfection.
- Be profoundly **HONEST** in staff meetings but when the team exits the room it needs to be **UNITED**, especially in public.
- Kids Church **IS** our church on Sundays!
- After every service ask yourself, "Did I give my best?" If not, "Why not?"
- Worship the same way you would in big church!
- You **MUST** be at the altar!! **EVERYTHING** is geared toward the altar!!
- Model what we want them to become!
- **BE ALL IN!**
